Millbridge Brook Meadows, opened in 2014, is a community green space owned by Gamlingay Parish Council and maintained for the benefit of residents.

Please take your litter home with you, keep dogs under control and dispose of dog waste in the bins provided.

Please do not light fires or barbecues, pick flowers or damage plants. Only mobility scooters (restricted by law to 4mph) and authorised vehicles are permitted.

An alternative route is provided for larger mobility scooters that cannot fit through the kissing gates. Maps showing this route are at Station Road entrances and exits.
